Bed and Breakfast Package at the Hotel Commonwealth Boston

Dec 22, 2009 17:21 - By: [Jodi Grundig](#)

The beautiful, newly built Hotel Commonwealth, located in Boston's Kenmore Square, is in the perfect location for many Boston travelers, especially baseball fans, parents of college kids, and shoppers. The hotel is currently offering a bed and breakfast promotion, which includes overnight accommodations in an oversized guest room, and breakfast for two at the on-site restaurant, Eastern Standard (which is excellent – I've eaten there several times). Rates for the package start at \$239 per night.

The Hotel Commonwealth is [pet-friendly](#), and offers 148 rooms with a variety of room types and views, including rooms that overlook historic Fenway Park. In-room amenities include complimentary high speed wireless internet access, 32" Panasonic LDC HD televisions with DVD and CD players, wireless room phones (with a range that covers the entire hotel), Serta Perfect Sleeper Pillow Top mattresses, Fresh bath amenities, down comforters and pillows, iPod players, and much more.

The Hotel Commonwealth is extremely convenient for visitors to Boston – it's located right on Commonwealth Avenue, by Fenway Park, Boylston Street, Newbury Street, Copley Plaza, the Shops at Prudential Center, Boston University, and Copley Place. The MBTA Green Line Kenmore Station is located below the hotel, and valet parking is available for hotel

guests.
